Healthcare: Working Safely is a one day course tailored specifically to the needs of all non-management clinical, non-clinical and support staff throughout the healthcare sector. This comprehensive six hour training programme has been designed by IOSH in partnership with Wales College of Medicine and Biosciences, Cardiff University.

Who should attend?

All non-management clinical, non-clinical and support staff in the healthcare sector.

Key features of the course include:

- ✓ addresses many statutory and mandatory training requirements in the NHS
- ✓ covers topics high on the healthcare agents, such as - stress, violence and aggression, infection prevention and control and hazardous substances
- ✓ is designed to achieve standardisation and cost savings across the whole healthcare sector
- ✓ complies with HSE requirements

Course Programme:

Module 1: Introduction

Module 2: Improving Safety Performance

Module 3: Hazard and Risks

Module 4: Workplace Safety

- * Violence and aggression
- * Hazardous substances
- * Infection prevention and control
- * Occupational Health
- * Fire

Certification:

An IOSH "Healthcare: Working Safely" certificate is awarded to all those who attend the course and successfully complete the written assessments.

Delegates Receive:

IOSH Healthcare Working Safely course folder with comprehensive course notes, course materials, lunch and daily refreshments.
