Better People, Better Business®

Automotive Quality System: ISO/TS 16949

Overview for Senior Personnel

This half-day session provides an overview of the global automotive quality system ISO/TS 16949. The content is delivered through a presentation, and participants are encouraged to ask questions to make the session interactive.

Course Location:	On-Site at your premises
Course Duration:	Three Hours (AM or PM to suit you)
No. of Delegates:	12 delegates maximum per session

Target Audience

The course is appropriate for senior personnel who are intending to commit organisational resources to the implementation of ISO/TS 16949.

Agenda

Start

Introductions
Review of Agenda
