Better People, Better Business®

Lifting Operations Appointed Persons

This Lifting Operations Appointed Persons training course aims to give delegates a thorough understanding of the LOLER Regulations with regard to lifting equipment that is used every day. It is ideal for all levels of workers, including Managers and Supervisors in all workplaces, including factories, shops, offices, construction sites, hospitals, farms, warehouses and wherever lifting equipment is used.

Course Location:	On-Site at your premises
Course Duration:	1 Full Day (date & time to suit you) Theory AM & Practical Assessment/Exercises PM
No. of Delegates:	9 Max (Theory only) 3 Max (Practical Assessment/Exercises)

Subjects covered:

- Identify when and to whom the Regulations apply
- Identify the equipment to which LOLER applies
- Conduct a Risk Assessment of Lifting Operations
- Introduce control measures to enable compliance with the LOLER Regulations
- Keep the statutory required records
- State the thorough examination and inspection requirements of the LOLER Regulations
- Practical Assessment and Exercises
- Q & A / Course Roundup

** Additional delegates will require a 3Hr: Practical Assessment and Exercises Session - these can be booked to be held on the same day as the theory with sessions AM or PM booked as required depending on delegate numbers to be trained.*
