Plant Loader Securer

Over the past few years there has been an increasing number of accidents involving mobile plant during loading/unloading as well as falling from the trailer during transportation resulting in fatalities. This course is designed for those who wish to attain proof of training and assessment in the use of loading and unloading mobile plant

This course is approved by the National Plant Operators Registration Scheme (NPORS) which complies with the Health and Safety at Work Act 1974 and all other regulations regarding operator training. Delegates who complete this course will be qualified as a Loader Securer.

Course Duration: 1 Full Day (date arranged to suit you)

Delegate Numbers: Max 2 Delegates per course

Includes: Certificate of Training, NPORS ID Card Valid for 5Yrs, Course Notes and materials

Course covers:

- Basic construction, names of components and the purpose and use of all controls and gauges
- Use of the operator's handbook
- Pre-use and running checks
- Prepare an area for the purposes of loading and unloading construction/mobile plant
- Prepare a transporter for receiving different items of construction/mobile plant which must include tracked, wheeled and roller types
- Agree and give appropriate signals to the plant operator
- Load or guide items of plant onto a transporter
- Position items of plant on transporter to ensure no overloading of transporter axles
- Ensure integrity and security of items of plant plus attachments
- Prepare a transporter for road travel
- Ensure intended route of travel is compatible with load weight, width and height
- Explain the specific requirements of current legislation for equipment designed for transporting mobile/construction plant
- Requirements to be undertaken when loading and unloading plant onto a public highway, public areas
- Precautions to be taken for overhead services and other hazards
- Trained operators achievement test with practical exercises

The NPORS Fee is £25 per delegate + VAT and is valid for a period of 5yrs from date of issue and delegates appear on the National database.
